ASHWINI YADAV

Bagicha, Jashpur Chhattisgarh |ashwini.y@navgurukul.org |+91-88392 32675 |LinkedIn| Github

OBJECTIVE

Motivated and passionate software developer with strong skills in HTML, CSS, JavaScript, React, Node.js, Express, MongoDB, and Data Structures & Algorithms. Currently working as an Academic Associate, where I guide and support students in their learning journey. Seeking an opportunity to apply my technical expertise and problem-solving abilities in building impactful applications while continuing to grow as a developer.

EDUCATION

Academic Associate at NavGurukul Foundation for Social Welfare
Himachal Pradesh   **2025 (Present)**

NavGurukul Foundation for Social Welfare Jashpur Chhattisgarh   **2023 - 2024**
Diploma in advanced programming

PROJECTS

- **INTERVIEW PREP - Link**
  Built an AI-driven platform using React and Gemini API where users can upload PDFs (resume, job description, or learning material) to generate tailored interview questions and receive instant AI feedback on accuracy, clarity, grammar, and confidence.
- **RECIPE APP - Link**
  Developed a Recipe App with login/signup using React, Node.js, Express, and MongoDB with JWT authentication, enabling users to add, edit, and favorite recipes, and share them on a public feed.
- **STUDENTS FEEDBACK MANAGER** - **Link**
  Developed a feedback system using React, Express.js, Node.js, and MongoDB.Enabled students to submit feedback for faculty members, helping them identify areas for improvement and enhance their teaching methods.
